RESEARCH EXPERIENCE

2025–present **MA Student Researcher**

Bilingualism and Cognition Lab & Non-Native Phonology Lab

Supervisors: Ubiratã Alves & Ingrid Finger

Modeling strategies for L2 speech development data

Model longitudinal change and cross-linguistic influences in multilingual speech (e.g. VOT and vowel production) with Bayesian Generalized Additive Mixed Models (GAMMs)

- Measure and annotate speech production data in *Praat*
- Visualize data and fit Bayesian GAMMs in *R* (*brms*)

Output: MA thesis (in progress) · 1 manuscript in preparation · 1 talk · 3 oral presentations · 1 poster

Optimizing Perception Learning

Big-team, international collaborative project on High Variability Phonetic Training

- Collect speech data for the Brazilian site
- Annotate and analyse speech data in *Praat*

Early L2 literacy development

Develop a standardized test battery of morphological skills and analyze early literacy data

- Take part in project meetings to design and refine the battery
- Visualize data and fit frequentist Generalized Linear Mixed Models (GLMMs) in *R*

Output: 1 manuscript under review · 1 poster

2021–2025 **Undergraduate Research Assistant**

Bilingualism and Cognition Lab & Non-Native Phonology Lab

Supervisor: Ubiratã Alves

L2 speech development under High Variability Phonetic Training and explicit instruction

Tracked how learners' production of target L2 acoustic features developed during pronunciation training

- Measured and annotated speech production data in *Praat*
- Visualized and analyzed the experimental data

Output: BA thesis · 2 journal articles · 6 oral presentations · 1 poster

Ratings of L2 English speech

Examined how Brazilian and Argentine learners and teachers of English rate L2 speech for comprehensibility, accentedness and social evaluation

- Designed and conducted listener rating experiments
- Analyzed rating data and discussed implications for pronunciation teaching

Output: 4 book chapters · 10 oral presentations · 1 outreach article

Other collaborative projects

- *Speech fluency in L2 Brazilian Portuguese*: annotated breakdown and repair measures in *Praat* and analyzed how fluency changed over time
- *Ultrasound-assisted pronunciation instruction*: co-developed an ultrasound-based teaching unit, delivered the instruction and collected ultrasound and acoustic data

Output: 1 book chapter · 4 oral presentations · 1 poster · 1 teaching unit

FUNDING AND AWARDS

Fellowships and scholarships

2026–2027 **MA Fellowship**. *CAPES* (Brazilian Federal Agency for Support and Evaluation of Graduate Education).

2023–2025 **Undergraduate Research Scholarship**. *CNPq* (Brazilian National Council for Scientific and Technological Development).

2022–2023 **Undergraduate Research Scholarship**. *Universidade Federal do Rio Grande do Sul*.

2021–2022 **Undergraduate Research Scholarship**. *FAPERGS* (Research Support Foundation of the State of Rio Grande do Sul).

Awards and honors

2025 **Academic Honors** [Láurea Acadêmica], BA in Languages and Literatures. *Universidade Federal do Rio Grande do Sul*.

2024 **Honorable Mentions**, poster sessions (two posters). *V Seminário Internacional de Fonologia*.

2023 **Best Paper Award** in Linguistics and Language Studies. *XXIV Salão de Iniciação Científica da PUCRS*.

Honorable Mention, UFRGS Young Researcher Award 2023 in Language Studies, Linguistics and Arts. *XXXV Salão de Iniciação Científica da UFRGS*.

2022 **Best Paper Award** in Linguistics and Language Studies. *XXIII Salão de Iniciação Científica da PUCRS*.

Session Distinction (session: Language and Cognition). *XXXIV Salão de Iniciação Científica da UFRGS*.

TEACHING EXPERIENCE

Ongoing **Graduate Teaching Assistant**
Complementary Studies of English I (English phonetics and phonology), UFRGS
Instructors: Ubiratã Alves & Ingrid Finger

- Prepare and teach lectures for undergraduate students

2021 **Undergraduate Teaching Assistant**
English III (English grammar), UFRGS
Instructor: Ubiratã Alves

- Corrected assignments, provided feedback and supported students online with course content
